In the near term, for instance, an organization may need someone who can operate a certain piece of machinery or use the company's spreadsheet software to generate a budget. But these skills are readily learned one on one, in the moment and in the environment where a worker needs to use them. Between YouTube, Degreed, Coursera, Udacity, Udemy, and many other online and in-person options for ...

We need to get it to our nations, we need to get it to our people and have that available for everyone," he said. In a statement Monday, Alberta Health spokesperson Tom McMillan said the province is working closely with the federal government on a vaccine distribution plan for First Nation communities. "Vaccine doses have been provided to staff and residents at six First Nation congregations

We need to start treating ourselves how we deserve to be treated, even if you feel that no one else does. Prove to the world you ARE worth something by treating yourself with the utmost respect and hope that other people will follow your example. And even if they don't, at least one person in the world is treating you well: YOU. ☐ ☐
