The Ireland of today is a place poised between the divisiveness of deep-seated conflict and the modernizing pull of material prosperity. Though each state's history is strikingly divergent, the mirroring ideologies that fuel them are remarkably symbiotic. With Ireland Since 1939, one of the most distinguished Irish historians working today casts a fresh and unpredictable eye to Ireland's history from World War II up through the present to show how-by putting aside its North/South ...

Ireland since 1939: the persistence of conflict Henry Patterson (Penguin Ireland, ?37) ISBN 9781844881031 In this book Henry Patterson outlines the political and social developments of both states on the island of Ireland from the start of the Second World War to 2005. Over the past couple of decades numerous works of general Irish history, on both North and South, have been published, some of which are scholarly and judicious tomes while others are highly subjective and little more than ...

[Ireland Since 1939: the Persistence of Conflict: Patterson ...](#)

Although the two states of Ireland have strikingly divergent histories, Patterson shows more clearly than any previous historian how interdependent those histories - and the mirroring ideologies that have fuelled them - have been. With its fresh and unpredictable readings of key events and developments on the island since the outbreak of the second world war, Ireland Since 1939 is an authoritative and gripping account from one of the most distinguished Irish historians at work today.
