[PSAT/NMSQT and PSAT 10 Practice | The College Board](#)

The primary PSAT form (Wednesday, October 16th, taken by 86% of students) may have been the most skewed, resulting in inequities based on when students tested. The unexplained results affected more than just the top scorers: Students scoring 1200+ dropped by 15% for juniors and 21% for sophomores. The average PSAT scores for all 1.7 million juniors dropped by 10 points, an unusual change ...

For most, high school is a huge step in life from elementary and middle school. High school and college can determine a person's future. Careers in life are built and created by the strength of the hard work, time, and effort a person puts into each ability, and it's most important to start preparing at a young age rather than at the last minute or in the last year in school.
