In the view of Signes Codoñer, modern historians have portrayed the emperor Theophilus (829-842) positively by accepting his legendary status as a “righteous and learned ruler” and by attributing his “military failures against the Muslims” to bad luck (p. 1). The author posits that the absence of significant military success would not have allowed an otherwise positive view of Theophilus to be sustained among his contemporaries and that recent progress on sources for the ninth ...
